Extra Shipping Charges For Heavy Gardening Accessories

Due to the weight or size of some products we have established a heavy weight shipping chart and weight symbol (WT) to help you calculate the extra shipping charges. *Extra shipping charges only apply when a garden accessory is oversized or weighs 3 pounds or more.* The items affected will be noted with an asterisk and a heavy weight symbol, and will have the actual shipping weight listed below the catalog number.

Alaska, Hawaii, US Territories & Canada Customers

Please call for freight costs on heavier weight items. Items not available to your area will be noted in the catalog.

International Orders

All orders outside the US and Canada require credit card payment. Special ordering and shipping regulations apply. Contact customs for restrictions.
