Extra Shipping Charges For Heavy Gardening Accessories

Due to the weight or size of some products we have established a heavy weight shipping chart and weight symbol (WT) to help you calculate the extra shipping charges. *Extra shipping charges only apply when a garden accessory is oversized or weighs 3 pounds or more.* The items affected will be noted with an asterisk and a heavy weight symbol, and will have the actual shipping weight listed below the catalog number.

Alaska, Hawaii, US Territories & Canada Customers

Please call for freight costs on heavier weight items. Items not available to your area will be noted in the catalog.

International Orders

All orders outside the US and Canada require credit card payment. Special ordering and shipping regulations apply. Contact customs for restrictions.

Duplicate Catalogs

Most gardeners look forward to receiving their new Territorial Seed Catalog, but one catalog is enough for most folks. If you are receiving more than one, please follow the steps below to help prevent duplicates in the future.

- Cut out the address label on the back of all catalogs.
- Write "correct" on the one you want.
- Write "duplicate" on all others.
- Send them to us and we'll take it from there.

Customer Comments

We want to hear from you. At Territorial, we value your opinion. Please provide us with any comments you might like to share with us. Tell us about any varieties you would like to see listed in our catalog or suggestions that you may have for us or other gardeners.

Speedy Sharp

Never have dull clippers again!

Have you ever been caught in the garden with clippers that need to be sharpened, but you don't want to take the time to go back to the shop to use the sharpener? Well, you won't have that problem again with the world's fastest sharpener in your back pocket. The 4 1/4 inch long Speedy Sharp is made from MICRO 100 Super Carbide that will never wear out or break. Don't use it on just your clippers; it will sharpen anything from knives to your lawn mower blade.
